

# Armidale Motorcycle Club Junior Coaching & Kick Start Day 2017

|   |                    |                                   |
|---|--------------------|-----------------------------------|
| <b>When</b> Sunday 19th March 2017  | <b>Time</b> 9.00am | <b>Where</b> 'Bannawera' - Uralla |
| <b>Cost</b> - \$10 per rider  |                    |                                   |
| Riders who do not have a Motorcycling Australia annual licence must purchase a 'one event recreational licence'   |                    |                                   |
| <b>Club Membership</b><br>\$30 – Junior, \$40 – Senior, \$50 - Family   |                    |                                   |
|   |                    |                                   |
| <b>Kick Start</b> - for new junior riders   |                    |                                   |
| Any junior (<16 yrs) rider wanting to commence riding at Armidale, or other, club events must undertake the Kick Start training day to obtain their Junior Coaching Program Log Book or 'Yellow Book' before they can ride.   |                    |                                   |
| <b>Junior Coaching</b> - for junior riders who already have a Yellow Book   |                    |                                   |
| Current riders will be familiar with Motorcycling NSW's requirement for junior riders to undertake coaching when a rider upgrades to a larger capacity machine (eg from a 65cc to 85cc, 85cc to 125cc, etc).  |                    |                                   |
| Therefore, if a rider intends to continue to ride a bike on which coaching has already been undertaken, that endorsement remains current and coaching is not required.  |                    |                                   |
| Riders moving to a larger capacity bike this year must attend the coaching day.   |                    |                                   |
| Note that the Yellow Book must show the bike capacity for the endorsement to be valid.  |                    |                                   |
| Junior riders who hold a Motorcycling Australia annual licence must have their current endorsement printed on their licence. If your licence does not show this, please send your licence and a copy of the coaching for the bike category to Motorcycling NSW to be upgraded.  |                    |                                   |
| Riders who do not need to be endorsed for a larger capacity bike are welcome to attend the coaching to further develop their skills.  |                    |                                   |
| <b>Bookings are essential</b> <b>Note: numbers are strictly limited</b>   |                    |                                   |
| Please complete this form: <a href="http://armidalemotorcycleclub.com/index.php/gallery/junior-training">http://armidalemotorcycleclub.com/index.php/gallery/junior-training</a><br>or provide these details: Rider name, age, bike CC, parent/guardian name, phone and email<br>by text: 0429 121 525 or email: <a href="mailto:coaching@armidalemotorcycleclub.com">coaching@armidalemotorcycleclub.com</a> |                    |                                   |

**The club will not have the canteen operating - Coaching days are self catering**
